

**Rolling Blackouts**  
**The Go! Team**

Verse

**F#m**            **G**  
Over the range  
**Em**                    **A**            **F#m**  
The secret is what we became  
**G**                    **A**            **Bm**  
Now only the secret remains  
**F#m**                    **G**  
Don't settle on me now  
**Em**                    **A**                    **F#m**  
The cover is blown with a touch  
      **G**                    **A**                    **Bm**  
We go when they're asking too much

Chorus

**Bm**    **F#m**  
Got a history and it's catching up  
**F#m**    **Bm**  
Crossed the nation like a rolling blackout  
**Bm**    **F#m**  
Got the mystery but it's not enough  
**F#m**    **G**  
Ain't a prison but you'll never get out

**G**  
Realise  
**G**            **Bm**                                    **D**  
Staying over is your only prize  
**D**            **G**  
Now I know  
**G**  
Some forget  
      **F#**    **F#sus4**    **F#**    **F#sus4**  
But I don't
