Black Out
The Good Life

okay the picking of this isn t difficult at all so I ll just put the chords
down.

Black Out (Track 01)

C#   G#
you try too hard
Bbm   F#
for the perfect beginning
C#   Bbm
you re so let down
C   F#
when the beauty starts fading
Ebm   F
once beaming with confidence
Bbm   F#
now brooding with doubt
C#   G#
pack those pictures away
            C#
they black out

It s the same format for the ending Black Out track:

Black Out (Track 14)
----
you think too much
such terrible endings
you drink so much
to start the forgetting
and you re so mad at yourself
but you forget what about
when it gets too blue
black out
