

Black Out

The Good Life

okay the picking of this isn't difficult at all so I'll just put the chords down.

Black Out (Track 01)

Bb **F**
you try too hard
Gm **Eb**
for the perfect beginning
Bb **Gm**
you're so let down
A **Eb**
when the beauty starts fading
Cm **D**
once beaming with confidence
Gm **Eb**
now brooding with doubt
Bb **F**
pack those pictures away
 Bb
they black out

It's the same format for the ending Black Out track:

Black Out (Track 14)

you think too much
such terrible endings
you drink so much
to start the forgetting
and you're so mad at yourself
but you forget what about
when it gets too blue
black out
