

Black Out
The Good Life

okay the picking of this isn't difficult at all so I'll just put the chords down.

Black Out (Track 01)

D **A**
you try too hard
Bm **G**
for the perfect beginning
D **Bm**
you're so let down
C# **G**
when the beauty starts fading
Em **F#**
once beaming with confidence
Bm **G**
now brooding with doubt
D **A**
pack those pictures away
 D
they black out

It's the same format for the ending Black Out track:

Black Out (Track 14)

you think too much
such terrible endings
you drink so much
to start the forgetting
and you're so mad at yourself
but you forget what about
when it gets too blue
black out
