E|--3-----|
```

F
Keely Aimee sat next to me

My hair stood up on end
F
And Keely Aimee, maybe one night
G
We could be better friends
C **Am**
I know this town s been hard on you
F **G**
I ve seen the neighbors close their shades
C **Am**
But Keely, they ve got their secrets too
F **G** **F** **G**
So you fell in some mud, you haven t fallen from grace

F
Keely Aimee, I m sure you dreamed you d do far greater things
G
But, Keely, I wish you wouldn t dwell on what could and couldn t be
F **Am**
I know how dreams can let you down

I ve had some rude awakenings
C **Am**
But Keely, I still go back to sleep
F **G** **F**
In the dead of night you spring to life for me

C		Am		F		G
Keely	Aimee					
	C	Am		F		G
Keely	Aimee					

F **Am** **Dm**
 Keely Aimee, I know this world is such a heavy weight
F **Am** **Dm** **G**
 And, Keely Aimee, those crows feet perched at such an early age
C **Am**
 Well, I d help you shoo those birds away
F **G**
 If the burden s just too much
C **Am** **F** **G** **F** **G**
 See, Keely, I love your suffering like gravity loves a stumbling drunk

F **Am** **Dm**
So Keely Aimee, lay next to me, rest your head against mine

F **Am** **Dm**
In all of the world I've never known a sadder Valentine

C **Am** **F** **G**
And when will I sleep and dream of the city towering into the clouds?

C **Am**
We'll run through the streets anonymously

F
A whole new life

G **F**
If only we knew how

C	Am	F	G
Keely Aimee			If only we knew
C	Am	F	G
How,		Keely Aimee	
C	Am	F	G
Oh, no, no			If we knew
C	Am	F	G
how, If we knew how,		If we knew how
