```

F#
Keely Aimee sat next to me

My hair stood up on end
    F#
And Keely Aimee, maybe one night
                     G#
We could be better friends
C#   **Bbm**
I know this town s been hard on you
            F#   **G#**
I ve seen the neighbors close their shades
    C#   **Bbm**
But Keely, they ve got their secrets too
      F#   **G#**   **F#**   **G#**
So you fell in some mud, you haven t fallen from grace

F#
Keely Aimee, I m sure you dreamed you d do far greater things
                                                 G#
But, Keely, I wish you wouldn t dwell on what could and couldn t be
F#   **Bbm**
I know how dreams can let you down

I ve had some rude awakenings
     C#   **Bbm**
But Keely, I still go back to sleep
       F#   **G#**   **F#**
In the dead of night you spring to life for me

```
C#              Bbm            F#            G#
Keely Aimee
        C#            Bbm            F#            G#
Keely Aimee

F#              Bbm                          Ebm
Keely Aimee, I know this world is such a heavy weight
      F#                  Bbm                        Ebm            G#
And, Keely Aimee, those crows feet perched at such an early age
        C#                  Bbm
Well, I d help you shoo those birds away
        F#                  G#
If the burden s just too much
        C#                  Bbm            F#      G#            F#            G#
See, Keely, I love your suffering like gravity loves a stumbling drunk

 F#                  Bbm            Ebm
So Keely Aimee, lay next to me, rest your head against mine
    F#                  Bbm                  Ebm
In all of the world I ve never known a sadder Valentine
      C#                  Bbm            F#            G#
And when will I sleep and dream of the city towering into the clouds?
        C#                  Bbm
We ll run through the streets anonymously
    F#
A whole new life
      G#            F#
If only we knew how

C#              Bbm            F#            G#
Keely Aimee                          If only we knew
C#              Bbm            F#            G#
How,              Keely Aimee
C#              Bbm            F#            G#
Oh, no, no                          If we knew
C#              Bbm            F#            G#
how, If we knew how, If we knew how
```
