Capo 3 standard tuning

**G**                      **A**                      **C**  
We both know that I dont know you very well  
**C**                                      **G**  
But still you re on my mind  
(Ive been thinkin about you)  
**G**                      **A**  
The season is everywhere I go  
**C**    **G**  
Come now baby make my Christmas bright  
(Make my Christmas bright)

**B7**                                      **Em**  
Come with me this New Years Eve

**C**  
And I ll hold you

**G**  
Through the cold midnight

**B7**                      **Em**                      **C**  
Loving me will always be so easy

**G**  
If I get this part right

**A**      **C**      **G**  
Ooh ooh ooh

**G**                      **A**                      **C**  
We both know that I don t know you very well

**C**                                      **G**  
But still you re on my mind  
(Im still thinkin about you)

**G**                      **A**  
Coming in on Christmas Eve

**C**    **G**  
Maybe this time love is on my side

**B7**                                      **Em**  
Come with me this New Years Eve

**C**  
And I ll hold you

**G**

Through the cold midnight

**B7**                    **Em**                    **C**

Loving me will always be so easy

**G**

If I get this part right

We both know that I don't know you very well

But still you're on my mind

Come in on Christmas Eve

Maybe this time, love is on my side

Come now baby, make my Christmas bright
