## In The Grey The Good Mad

Intro: C Am Em C

C

Dark clouds overhead

Am

Made a home over our bed

Em

I mistook them for mystery

C

Like the love stories I d read

С

And wouldn t you know

Αm

It turned out to be a tragedy

Em

I find myself in the eye

C

Of a fierce cyclone

Am

So many ways to try

Em

To rationalize

Αm

Why I close my eyes

G

To every single lie

Am (

You got lost somewhere in the grey

F Am - (

I don t know why I chose to evade

Αm

You should leave me behind

G

But what if it s true what they say

F

It s better to endure love

Am - E

Then to throw it away

Looking back on that time

Αm

My heart and soul were out of rhyme

Em

I mistook the loss for love

C

But it was you I dreamed of at night  $\mathbf{Am}$ And oh what a fool I was Not to love you enough Em Could ve been up front When the rowing got rough Am So many ways to try to rationalize Why I close my eyes to every single lie Am I was lost somewhere in the grey Am - G I don t know why I chose to evade Αm You should leave me behind But what if it s true what they say It s better to endure love Am - E / EmThen to throw it away Αm Oh oh oh oh oh Am Oh oh oh oh oh Am I was lost somewhere in the grey Am - G I don t know why I chose to evade Am You should leave me behind But what if it s true what they say It s better to endure love Am (end) Then to throw it away
