In The Grey
The Good Mad

Intro: **C Am Em C**
C
Dark clouds overhead
Am
Made a home over our bed
    Em
I mistook them for mystery
       C
Like the love stories I d read
   C
And wouldn t you know
      Am
It turned out to be a tragedy
    Em
 I find myself in the eye
      C
Of a fierce cyclone
    Am
So many ways to try
        Em
To rationalize
Am
Why I close my eyes
        G
To every single lie
Am   **G**
You got lost somewhere in the grey
     F   **Am** - **G**
I don t know why I chose to evade
Am
You should leave me behind
       G
But what if it s true what they say
      F
It s better to endure love
      Am - **E**
Then to throw it away

C
Looking back on that time
Am
My heart and soul were out of rhyme
   Em
I mistook the loss for love
 C

```
But it was you I dreamed of at night
                       Am
And oh what a fool I was

Not to love you enough
Em
Could ve been up front
             C
When the rowing got rough
Am                               Em
So many ways to try to rationalize
Am                                  G
Why I close my eyes to every single lie
Am                           G
I was lost somewhere in the grey
          F                  Am  - G
I don t know why I chose to evade
Am
You should leave me behind
                 G
But what if it s true what they say
                 F
It s better to endure love
                   Am  - E / Em
Then to throw it away

Am                 E
Oh oh oh oh oh oh
Am         E
Oh oh oh oh oh oh

Am                           G
I was lost somewhere in the grey
          F                  Am  - G
I don t know why I chose to evade
Am
You should leave me behind
                 G
But what if it s true what they say
                 F
It s better to endure love
                 Am  (end)
Then to throw it away
```
