Come and break this heart of stone
Breath new life into these bones
Call m lovely, call me true
You make me lovely just like you

Em C G

Hold On
Hold On
Hold On
Love will come

Em C G

When you call out my name
I just wanna run away
Sail across the ocean blue
But I keep sailing home to you

Em C G

Hold On
Hold On
Hold On
Love will come

Em C G

The world it don t feel right
Love would win if it would fight x 4

Hold on, Hold on, Hold on, Love will come
