The Gospel Youth

[Intro]

D F#m A E D
D F#m A E D

[Verse 1]

D **F#m** **A**
Wednesday, all you ever do is sleep in
E **D**
Always dreaming away in your feather down cage
D **F#m** **A**
Tell me, do you miss the taste of thunder?
E **D**
Slowly burning your lips, like a cigarette kiss

[Chorus]

D **E F#m**
I watched it tear you apart
A **E**
All the beauty you had, now just lost in the dark
D **E** **F#m**
Well, you kept my name close to your heart
A **F#m** **E**
But like gin and black coffee, those shots, those shots hit you hard
D F#m A E D
Ooh woah-oooh, Ooh woah-oooh, Ooh woah-oooh oh-oh-oh-oooh

[Verse 2]

D **F#m** **A**
Wednesday, all the time you have is wasted
E **D**
Slowly slipping away, oh the mess you ve made
D **F#m** **A**
Tell me, do you kiss away the nightmares?
E **D**
As they burn in your mind, like the love you left behind

[Chorus]

D **E F#m**
I watched it tear you apart
A **E**
All the beauty you had, now just lost in the dark
D **E** **F#m**
Well, you kept my name close to your heart
A **F#m** **E**

But like gin and black coffee, those shots, those shots hit you hard

D F#m A E D

Ooh woah-oooh, Ooh woah-oooh, Ooh woah-oooh oh-oh-oh-oooh
