

Not Home Yet
The Gray Havens

[Verse 1]

G
Well, the moment you found
Am
You could start over new
Em **C**
Was the same that you realized the stories were true
G **Am**
You opened your eyes and the world you could see
Em
Wasn't dim, it was bright
C **G Am Em C**
You'd have to agree

[Verse 2]

G
It can happen so fast
Am
Like you step on a train
Em
By the time you get off
C
You swear everything's changed
G
No trick of the light
Am
But how you know it was true
Em
Well, it's hard to explain
C
You were held by the view

[Pre-Chorus 1]

Em **C**
But the old chapter is over
Em **C**
And a new one begins
Em **C**
No room for composure
Em
Now the door's open wide
C
And you're walking in

[Chorus]

G **Am** **Em**
And oh now, your fears are gone
C
They were buried with the dawn
G **Am** **Em**
Oh now, you feel alive

For the first time

Forever, for good
