**Eb** **Bb**  
We were sailing on waves of silver,

V2:(same chord pattern as V1)

Now the country that we came from,  
They play silver melodies,  
And the kings and queens would write their dreams,  
On silver pages we would read,  
And we sang,

ooh, ooh

ooh, ooh

**Eb** **Bb** **Ab** **Cm**  
We will cross any water any water,  
**Eb** **Bb** **Ab** **Cm**

Now the echoes were getting louder,  
And a chorus filled the air,  
When the voices fell they broke the spell,  
That tied us to our silver chairs,

And we sang, ooh, ooh

V4: (chords played as whole notes)

We were taken through the shadows,  
Were we carried through the night,  
When the sun appeared,  
My God my fears of silver melted in the light,  
And we saw the world with different eyes,  
And we sang,

Ooh, Ooh,  
Ooh, Ooh,

We will cross any water any water,  
And if we find, there s a song that s getting stronger,  
We will sound all our silver songs,  
And we will know if they belong,
