The Green - Love I

Verse

G / D / C / D

Chorus

G / D / C / D

Verse:

What do you do
when the girl you want she doesn't want you to
and what do you do
when she says she only wanna be friends with you
girl, it's not fair
how our love could feel this way
i shouldn't care
cuz if she only heard me say...

Chorus:

i wanna love you love you girl
kiss and hug make you my world
i'll treat you right you know i will
i'ma show you girl how i really feel
i wanna love you love you girl
kiss and hug make you my world
i'll treat you right you know i will
i'ma show you girl how i really feel, yeah

Verse:

now won't you calm yourself down get out your house
ohhh girl
come on over to my place
cuz i'ma turn that frown oh upside down

cuz it's not fair
how our love could feel this way
i shouldn't care
cuz if she only heard me say
