Yes I know, I don t belong
Get me out of here

Please turn off the light
Nothing here is right
Now I wish things weren t so wrong

All of my world is a daydream, such a sweet thing
Sleep in the grass, having a gas

Yes I know, I don t belong
Get me out of here

Yes I know, I don t belong
Get me out of here

Yes I know, I don t belong
Get me out of here
