The Growlers - Casual Acquaintances

Casual acquaintances because time just won't allow

I can see their disappointed faces in the crowd

Beauty is the lure, trouble at the rod  
I don't need another chicken in the pot

I seem to always find myself wondering how I'm here again  
I can never clear a space without some mess finding its way in  
**C** **Bb** **Am** **Gm**  
People love to talk until they're finally sure I'm somewhat interested  
**C** **Bb** **Am** **Gm**  
I spend my time wondering how they can't tell I'm not listening

No I'm not listening
