Damn the momentum of the speed of life
Hardly time to think about who fell behind
My heart is over cluttering up our minds
How the hell we made it here seems so divine

[Chorus]

Em		Am	G
We	re in a half	dreaming	barely awake
Em		Am	G
What	is the hurry	to the last	cabaret?
Em		Am	G
We	re in a half	dream	barely awake
Em			
Well	on our way	to the last	cabaret
