Bus Rider
The Guess Who
BUS RIDER
The Guess Who
C7
                     C7
                                                            C7
     [intro - each chord held for the bar by whole band]
C7
[band in - lead guitar riff]
C7
    Get up in the morning, get on the bus!
C7
  Get up in the morning like the rest of us.
Places to go; important people to meet
better not get up or you might lose your seat
                                                            C
                                          Вb
                                                  F
Bus Rider!
                                       [riff]
          \mathbf{B}\mathbf{b}
                   F
                             C
                                        C7
[riff]
Leave the house at 6 o clock to be on time
C7
Leave the wife & kids at home to make a dime
C7
                                         G
                                                Gb
Grab your lunch pail; check for mail in your slot
                                         C
You won t get ur check if u don t punch the clock, Bus Rider!
        {\tt Bb}
                F
                        C
                                C
                                         Вb
                                                F
                                                        C
[riff]
Adim
[guitar solo]
Bdim
                           Adim
                                               Adim
 [guitar solo]
```

```
[rhythm break]
                                     C7
                 F
                           C
         Вb
  [riff]
                                      [piano solo]
C7
Grab the evening paper & sit down in your chair
C7
Grab yourself a toupee cuz you re losing your hair...
C7
                                     G
Doesn t matter what u do, you ve nothin to lose
                                     C
I m so awful goddam glad I m not in ur shoes, Bus Rider!
                       C
         Bb
                  F
                                     C
                                               Вb
                                                                 C
                                                      F
[riff]
C7
   [vocalist raving to end, over piano fills]
C7
[...piano fills]
C7
[....piano fills]
C7
         Bb
                  F
                          C
[riff to end]
С
         Вb
                  F
