The Guess Who

verse 1

Asus2 **A7** **D**
I was lost and tossed on a misty morning by a drunken sailor
Dm7 **E7sus4 E E7sus4 E7**
and the genie in the bottle let me down
Asus2 **A7** **D**
I was raised on Cain in the name of the Father and the Mother
Dm7 **E7sus4 E E7sus4 E7**
and the brother and the other who was never even round
Asus2 **A7**
On a windswept coast with the Black Knight falling
D **Dm7** **E7sus4 E**
E7sus4 E7
I was heard to be calling that my ship and all its crew were going down
Asus2 **A7** **D**
As the sun ran slowly by a childhood rivulet a jeweled King summoned me
Dm7 **E7sus4 E E7sus4 E7**
commanding that I run and tell the town

Bridge

A D G C F D
Saw you, saw me, run quickly now
F G Asus2
Run and hide away
F G A
Run and hide today

verse 2

Asus2 **A7** **D**
In a room in a castle full of faceless lovers I was cut and bleeding
Dm7 **E7sus4 E E7sus4 E**
and the image in the mirror struck me down
Asus2 **A7** **D**
I was chased and beaten by a well-drilled team of little men breathing colors
Dm7 **E7sus4 E E7sus4 E7**
and abandoned in a coffin in the ground
Asus2 **A7** **D**
As a pale young virgin made a meal of a martyr she was hailed as holy
Dm7 **E7sus4 E E7sus4 E**
by the only ones who stood and held their ground
Asus2 **A7** **D**
When a bright Mona Lisa with the eyes of a tiger read a new proclamation
Dm7 **E7sus4 E E7sus4 E7**
I was stricken from her list and never found
