Old Joe
The Guess Who

Intro **E A/E E** (x4)

verse 1

```
E          Amaj7/E             E        Amaj7/E
He comes home after working for so many, many years
E        Amaj7/E       E     A/E
Lays down weary on his bed
E      Amaj7/E   E             Amaj7/E
So many worries, broken dreams and fears
E        Amaj7/E           E      A/E
hurting things that people said
```

```
E      G#m            A/E       E                      F#     A/E
Is there something you could do for him right now if you were there
        C#m               D           A/E       B       D     E
A/E E A/E E
Is there some kind word that you would say to him if you were there now, now
```

verse 2

```
E Amaj7/E      E       Amaj7/E
He don t remember mama
E      Amaj7/E        E      A/E
His mama never saw his face
E        Amaj7/E             E            Amaj7/E
The wounds he suffered from an angry, bitter world
E   Amaj7/E             E      A/E
Are something time cannot erase
```

```
E      G#m            A/E       E                      F#     A/E
Is there something you could do for him right now if you were there
        C#m               D           A/E       B       D
Is there some kind word that you would say to him if you were there now, now
```

Instrumental

E A D E A D E ...

```
E          G#m                  A/E        E                           F#      A/E
Is there something you could do for him right now if you were there
          C#m                   D              A/E          B          D       E
A/E E A/E E
Is there some kind word that you would say to him if you were there now, now
E          G#m                  A/E        E                           F#      A/E
Is there something you could do for him right now if you were there
          C#m                   D              A/E          B          D       A F#
B A
Is there some kind word that you would say to him if you were there now, now
```
