

Samanthas Living Room
The Guess Who

Song: Samantha s Living Room (Donnie McDougall)
Band: The Guess Who
Album: Artificial Paradise
Tabbed By: Nick Gray

Note: The song is the same chord progression for the whole song. Here are the chords over the lyrics. The pattern for the strumming is pretty basic if you listen to the song, you should be able to figure it out. I use power chords, but you should be able to use standard chords as well. Good Luck !
