

Chop wood, draw water, roll cigarettes

Dm

Find a lover, put a flower in her hair

Climb a mountain, see the mountain disappear

A/E

Be the first to go back to the ghost town

Dm

Break bread with the man that s gonna bring you down

Deep deep down

F **A/E** **Dm**

Sha lalala lala la la la la lalala la

I listen and I hear what s said

F **A/E** **Dm**

Sha lalala lala la la la la lalala la

I follow it from A to Z

F **A/E** **Abm**

Sha lalala lala la la la la lalala la

N.C.

But wisdom hasn t found me yet

Dm

Dm

You re feeling scared, Jesus is your bodyguard

You feel alone, take a look in your backyard

A/E

Put your eye to the eye of the telescope

The Universe looks back through a microscope

Dm

Adopt a highway, dress yourself in camel hair

A wasted life is a life lived unaware

A/E

Make your money, put it on a number eight

Dm

Tempt fate, baby you re a wheel going round

Round and round

F **A/E** **Dm**

Sha lalala lala la la la la lalala la

I listen and I hear what s said

F **A/E** **Dm**

Sha lalala lala la la la la lalala la

I follow it from A to Z

F **A/E** **Abm**

Sha lalala lala la la la la lalala la

N.C.

But wisdom hasn t found me yet
