

Homecoming Heroes
The Head and the Heart

The Head and the Heart " Homecoming Heroes
This is an unreleased song from their live performance on KEXP radio 9-12-12

Capo 3

C Em F Am C

C Em

So now I know

F

People want a story

Am

Want an end with glory

C

And a wave of their flag

C Em

Well as far as I can tell

F

The homecoming heroes

Am

Get put in the headlines

C

And back off they go

F

C

And I won't stand for anything more

F

C

Tried our hand even though we were poor

Dm

We've put in the time

G C

Casting our lines off shore

C Em

Yes some things I dread

F

I duck into alleys

Am

I avoid the rallies

C

It's a choice of my own

F **C**
 And I wonâ€™t stand for anything more
F **C**
 Tried our hand even though we were poor
Dm
 Weâ€™ve put in the time
G **C**
 Casting our lines off shore

C **Em** **F**
 And Iâ€™m sorry but I find no glory in that
Fm **C**
 I just want you off my back
C **Em** **F**
 And thereâ€™s not a word in my head floating around
Fm **C**
 You wonâ€™t pick your part and put down

F **C**
 And I wonâ€™t stand for anything more
F **C**
 Tried our hand even though we were poor
Dm
 Weâ€™ve put in the time
G **C**
 Casting our lines off shore
Dm
 Weâ€™ve put in the time
G
 Casting our lines

C **Em** **F**
 And Iâ€™m sorry but I find no glory in that
Fm **C**
 I just want you off my back
C **Em** **F**
 And thereâ€™s not a word in my head floating around
Fm **C**
 You wonâ€™t pick your part and put down

F
 So get out of my head
C
 Get out of my head
F Fm C
 Get out of my head
