The Heartbreaks

The Heartbreaks, Delay Delay

Intro:

B **F#** X2

B **F#**
Has anything that Ive said, resonated with you?

B **E** **F#**
I sat there as you bled, from wounds caused by others

Pre-Chorus:

B **F#**
You-oo-oo-o-o feature in my thoughts most days,

A **E**
You had to become a real man whilst all I do is play

B **F#**
Yo-ur wicked tongue will make that gi-rl run away

A **E**
If you didnt mean it tell her so, itâ€™s foolish to delay

Chorus:

B **F#**
Delay, delay, delay, delay, delay, delay, delay

A **E**
If theres something burning in your heart itâ€™s foolish to delay

B **F#**
Here we are sat in our little town

B **E** **F#**
Well be the pride of it someday

Pre-chorus then Chorus

B **F#**
When Im feeling wistful Ill head down to the shore

A **E**
And dwell on things I know I shouldnt care for anymore

B **F#**
Then on to the seafront and Ill buy a hot beverage

B **F#**
Raise my spirits and realise to know you is a privilege

Pre-chorus then Chorus
