I Didn't Think It Would Hurt To Think Of You

Intro: C G F G C G F G C

Verse 1:

Yo-ou can't kick the leaves today darling cause it's wet u-underfoot
And your friends subscribe to the view, that I am no good
Still I'd like to express the sincerity of my actions towards you,
Early o-ho-n, Is there hope for us?

Chorus:

I didn't think it'd hurt to think of you,
But it pains me pains me a kind of loving,
Prior to which we never knew o-oh it pains me

Verse 2:

In a town as small as this one, there's no escaping you
Though, I know you're not impressed by me what would you have me do?
I'll immerse myself in guilt and pain, for your benefit
Wo-o-o-o-w Is there hope for us?

Chorus:

I didn't think it'd hurt to think of you,
But it pains me pains me a kind of loving,
Prior to which we never knew o-oh it pains me
