

I Miss You
The Henningsens

Capo 7th

G

G **G**
I miss the simple conversations, I miss the silences in between

Cadd9 **G**
I miss the clatter in the kitchen, that always seemed to help me sleep
Cadd9 **G**

But most of all, I miss you

G **G**
I miss the way that you could move me with just one corner of your smile

Cadd9 **G**
The gentle way that you could save me with just a want in your eyes

Cadd9 **G**
But most of all, I miss you

Chorus:

Em **G** **D** **Am**
I know I drew a line in the sand that I can't cross back over

Em **G** **D** **Am**
I know baby you'll be fine, but if you don't mind I'll never recover
C

Never recover

G **G**
I miss the way you'd made me better, I miss the touch that made me melt

Cadd9 **G**
I miss being wrapped up in you, baby, instead of wrapped up in myself

Cadd9 **G**
But most of all, I miss you

Chorus:

Em **G** **D** **Am**
I know I drew a line in the sand that I can't cross back over

Em **G** **D** **Am**
I know baby you'll be fine, but if you don't mind I'll never recover
C

Never recover
