

Sitting In An Airport Waiting On A Train
The Henningsens

Capo on 5th fret

Em7 **D/F#** **G** **Cadd9**
You made me a promise but you wouldn't say when
Em7 **D/F#** **G**
And I could see three years turning into ten
C **D** **Em7**
And I could hear a little voice in the back of my brain
C **G** **D** **G**
Saying I was sitting in an airport waiting on a train

Em7 **D/F#** **G** **Cadd9**
He's rough around the edges but he sure means well
Em7 **D/F#** **G**
Oh, the pretty little lies that I tell myself
C **D** **Em7**
But boy you got gasoline in your veins
C **G** **D** **Em7**
And I've been sitting in an airport waiting on a train
C **G** **D** **G**
Sitting in an airport waiting on a train

C **D**
You said "Honey you can sure bet that as soon as my tax check comes next
spring

C **D**
You gonna be getting that big church wedding and a diamond ring.

Em7 **D/F#** **G** **Cadd9**
Well the trees turned green but the spring never came

C **G** **D** **Em7**
And I was sitting in an airport waiting on a train

C **G** **D** **G**
Sitting in an airport waiting on a train

D **C**
You shouldn't be surprised when a rattlesnake bites cause it does what it does

D **C**
You can swallow back shame, you can hold back blame, but it was what it was

Em7 **D/F#** **G** **Cadd9**
And what is it is over so I shouldn't complain

C **G** **D** **Em7**
And I've been sitting in an airport waiting on a train

C **G** **D** **G**
Sitting in an airport waiting on a train

Em7 **D/F#** **G** **Cadd9**
I left the keys on the dresser and the porch light on
