

Angels Love Bad Men
The Highwaymen

Capo 3

Em D C G Bm C D D/C D/B D/A

Em D
When his stolen gold has turned to rust
C G
He rides off in a cloud of dust
Bm C D
Lookin for a border he can cross
Em D
She ll stand by and watch him go
C G
Wonderin if he ll ever know
Bm C D
The hurt she s feelin now and what they ve lost

Bb F Bb F
Angels love bad men; that s how it s always been
Bb F Gm G
They give their whole hearts when they fall
Bb F Bb F
Angels love bad men; that s how it s always been
Bb F Gm G
Love holds their hearts against the wall

Solo

When his corporate day comes to and end
He rides away in his Mercedes Benz
Soon he s lost beneath the neon sky
Outside of town, in their suburban home
She spends another night alone
And wonders what went wrong, wonders why

Chorus
