Capo fret 2.

[Verse 1]

**Am G F Am**  
I was a highwayman. Along the coach roads I did ride  
**G F G**  
With sword and pistol by my side  
**Dm Am G F**  
Many a young maid lost her baubles to my trade  
**Dm Am G F**  
Many a soldier shed his lifeblood on my blade  
**Am G F C**  
The bastards hung me in the spring of twenty-five  
**F G**  
But I am still alive.

[Verse 2]

**Am G F Am**  
I was a sailor. I was born upon the tide  
**G F G**  
And with the sea I did abide.  
**Dm Am G F**  
I sailed a schooner round the Horn to Mexico  
**Dm Am G F**  
I went aloft and furled the mainsail in a blow  
**Am G F C**  
And when the yards broke off they said that I got killed  
**F G**  
But I am living still.

[Verse 3]

**Am G F Am**  
I was a dam builder across the river deep and wide  
**G F G**  
Where steel and water did collide  
**Dm Am G F**  
A place called Boulder on the wild Colorado  
**Dm Am G F**  
I slipped and fell into the wet concrete below  
**Am G F C**  
They buried me in that great tomb that knows no sound  
**F G**  
But I am still around..  
**G C C/Am Am G F Em Dm F G C**  
I ll always be around and around.....

[Verse 4]

**Am G F Am**

I fly a starship across the Universe divide

**G F G**

And when I reach the other side

**Dm Am G F**

I ll find a place to rest my spirit if I can

**Dm Am G F**

Perhaps I may become a highwayman again

**Am G F C**

Or I may simply be a single drop of rain

**F G**

But I will remain

**G C C/Am Am G F Em Dm F G C**

And I ll be back again, and again and again and again and again..
