And you have said, that I looked like a dummy

Out of a dry goods store.

Oh Jim, Jim the preacher said a lot of things

But I didn't hear a word he said

C

My mind kept wanderin' back down the trail

C

Back to the good times we had.

G

Ridin' the herd through the sun and the rain

C G

Pannin' for gold on the cuff

We did everything, in the books I guess

D

And a lot, that they never thought up

C G

F

C

Oh Jim, Jim so you're ridin' on ahead

When you reach those streets paved with gold

Jim stake a claim out for me.

(C G F C F G C F C G C)

We did everything we could for you Jim but

Your fever just wouldn't go down

So we put you in the wagon Jim

And this mornin' we got you back to town

But when we got here you were gone Jim

And there wasn't anything anybody could do

And they dressed you up in a fancy suit and a neck-tie

So today, we wore one too.
