

**True Love Travels On
The Highwaymen**

C/G

How many girls

Em

Choose cotton dress worlds

F

C/G

When they could have satins and lace

And stand by her man

Em

Through good times and bad

F

G

And still keep a smile on her face

C/G

And how many hearts

Could face the winters we ve known

F

C/G

And still not turn gold

Chorus:

C/G

F

C/G

True love travels on a gravel road

Bridge:(Willie Nelson)

C/G

Love is a stranger and hearts are in danger

F

On smooth streets

C/G

Paved with gold

Chorus.

Verse 2:(Johnny Cash then Waylon Jennings)

C/G

Down through the years

Em

We ve had hard times and tears

F

C/G

But it only makes our love grow

And we ll stay together

Em

G

No matter how hard the wind blows

C/G

Not once have i seen your

Blue eyes fill with envy

F

Or stray from the warmth

C/G

That they hold
