

**A Christmas Duel**  
**The Hives**

**C**  
I bought no gifts this year  
**Am**  
And I slept with your sister  
**F**  
**G**  
I know I should have thought twice before I kissed her  
**C**  
But with the year we had last  
**Am**  
And the dress that she wore  
**F**  
I just went along for the ride  
**C** **G**  
And I came back for more  
**Am** **G** **C**  
And Iâ€™m sorry, baby  
(Thatâ€™s all okay honey cause see)  
**C**  
I bought no tree this year  
**Am**  
And I slept with your brother  
**F**  
I wrecked your Daddyâ€™s car  
**C** **G**  
And went down on your Mother  
**C**  
I set your record collection on fire  
**Am**  
And said I never knew  
**F**  
Felt kind of bad about that  
**C** **G**  
And I know you did too  
**F** **G**  
So whatever you say, itâ€™s all fine by me  
**C** **Am**  
Who the fuck anyway wants a Christmas tree  
**F**  
Cause the snow keeps on fallin  
**G**  
Even though we were bad  
**F** **G**  
Itâ€™ll cover the filth, we should both just be glad  
**Am** **F** **C**

And spend this Christmas together

**C**

I married you last year

**Am**

Bet you thought I was sober, right?

**F**

But I was drunk as a skunk and I made a mistake you see

**C**

**G**

This could all have been over

**C**

**Am**

Ah honey please don't excuse your behaviour

**F**

Cause I hired a hitman and changed your will

**C**

**G**

It's now all in my favour

**F**

**G**

So whatever you say, it's all fine by me

**C**

**Am**

Who the fuck anyway wants a Christmas tree

**F**

Cause the snow keeps on fallin

**G**

Even though we were bad

**F**

**G**

It'll cover the filth, we should both just be glad

**Am**

**F**

**C**

And spend-spend-spend this Christ-Christmas together

**Am**

**F**

**C**

And spend-spend-spend this Christ-Christmas together

**Am**

**F**

**C**

And spend-spend-spend this Christ-Christmas together

**Am**

**F**

**C**

And spend-spend-spend this Christ-Christmas together

**Am**

**C**

Holding on without any reason

**Am**

Cause something's strong (something's strong)

**C**

This holiday season (this holiday season)

**F**

**G**

So whatever you say, it's all fine by me

**C**

**Am**

And who the fuck anyway wants a Christmas tree

**F**

Cause the snow keeps on fallin

**G**

Even though we were bad

**F**

**G**

It'll cover the filth, we should both just be glad
