D
 You ll never get it right

Bm
 They got a hundred lies for you

D
 And when they pass them out

Bm
 You gotta give or take a few

D
 And be just the same

G D
 A head in the crowd but behind the game

Bm D
 Oh well, you never can tell

D
 You re such a clever kid

Bm
 But I see what s wrong with you

D
 It s all you ever did

Bm
 Take lies and believe them true

D
 Knew it all long

G D
 Another act and a truth gone wrong

Bm
 Oh no

G A D
 It ain t my hollywood

D Bm
 I went on strike when the union said I would

D Bm
 Had a sign in my hand cause the times were no good

D Bm
 And all this time all they ever told me too

Was to get a little lie to ring a little true
D Bm
I went on strike when the union said I would
D Bm
Had a sign in my hand cause the times were no good
D Bm
And all this time all they ever told me too
G A D
Was get a little more for your little you

And maybe you re alright D
And maybe I don t have a clue Bm
Yeah, maybe black is white D
And maybe black is white too Bm
But it s all the same D
You don t get the picture your getting framed G D
You took the bait and now it s too late Bm D
You didn t turn out right D
Just look at you Bm
You had the biggest plans D
But no way to carry through Bm
It was all an act D
And now you can t stick to the facts G D
Oh no Bm
It ain t my hollywood G A D

I went on strike when the union said I would D Bm
Had a sign in my hand cause the times were no good D Bm
And all this time all they ever told me too D Bm
Was to get a little lie to ring a little true G A

D Bm
You spent your time just like they said you should
D Bm
Now those marks on your face just don't look any good
D Bm
And all the time all that they told you to
G A
was get a little more for your little you

(D Bm)
Ahhhhhhhhh said i would
were no good
told me too
little true
said I would
were no good
told me too
little true

G A D
It ain't my hollywood
