I m on my way.
Can t settle down.
Stuck in ways of being an ass
And I got a lot of nerve that I m ready to pass.

I m on my way.

Can't settle down.
Stuck in ways of sadistic joy
And my talent only goes as far as to annoy. I'm on my way

This is my main offender.
This is what I got and it
Got me saying - Why me?

I'm on my way.
I get around.
Not too sure about what I do.
Feel I've got to stop a second just to think it thru.
And so I stop!

I'm on my way.
Yeah I get around.
Thought it all over and now I spit it out
and when I spit I spit on those that I care less about
I'm on my way.

This is my main offender.
This is what I've got and it
Got me saying - Why me?

I'm on my way.
