A D A E C Em

A D A

A E C

A D A E C Em

A D A A E C

Waited far too long for this day to dawn

A D A E C Em

Marked position with an X and kept floating on

A D A A E C

Now I stretch and yawn all impostors gone

A D A E C Em

Once again it s time to reap and sow

A D A A E C

I m a rising tide rollercoaster ride

A D A E C Em

We re ch ch chuggin right into the fun

A D A A E C

I won t be denied so you open wide

A D A E C Em

Cause I m only looking out for you

A

D

My patrolling days are over and I ain t shot nobody since

G

A

I fought the big cheese out of office and showed the hep kids how to dance

A

And now we re gonna take a ride on the wiggle and sway

D

I got my finger on the trigger and it s time to play

G

And with every little step I blow your mind away

A

Forever HPA

A D A A E C

What now It s going down

A D A E C Em

From way up top to the down low

A D A A E C

Take a chromosome make it monochrome

A D A E C Em

And I ll tell you what I m gonna do

A D A A E C

Be a rising tide rollercoaster ride

A D A E C Em

We re ch ch chuggin right into the fun

A D A A E C

Now you open wide I won t be denied

A D A E C Em

Cause I m only looking out for you

A D

My patrolling days are over and I ain t shot nobody since

G A

I fought the big cheese out of office and showed the hep kids how to dance

A

And now we re gonna take a ride on the wiggle and sway

D

I got my finger on the trigger and it s time to play

G

And with every little step I blow your mind away

A

Forever HPA

A D A

A D A E C Em

A D A

A E C

A D A E C Em

My patrolling days are over and I ain t shot nobody since

I fought the big cheese out of office and showed the hep kids how to dance

A

And now we re gonna take a ride on the wiggle and sway

D

I got my finger on the trigger and it s time to play

G

And with every little step I blow your mind away

A

Forever HPA

A

D

Cause my patrolling days are over and I ain t shot nobody since

G

A

I fought the big cheese out of office and showed the hep kids how to dance

A

And now we re gonna take a ride on the wiggle and sway

D

I got my finger on the trigger and it s time to play

G

And with every little step I blow your mind away

A

Forever HPA

A

Cause see I rolled in through the back door

D

When it was my turn for the throne

G

I never wanted to stand on your pedestal man

A

Cause I was born to build my own

A

Well they say do or die I say no way no how

D

They said I wouldn t last for long

G

But I m still standing in the hurricane s eye

A

And it s dancing to my song

A

Again I rolled around the back door

D

No I ain t got no common sense

G

So you can bitch and whine but you can stand aside

A

Cause I m doing it again

A

Well no I won t unwind I won t be dumped behind

D

I won t be coolly led astray

G

So on the dotted line I slit my thumb and sign

A

Yours truly HPA

A

D

My patrolling days are over and I ain t shot nobody since

G

A

I fought the big cheese out of office and showed the hep kids how to dance

A

And now we re gonna take a ride on the wiggle and sway

D

I got my finger on the trigger and it s time to play

G

And with every little step I blow your mind away

A

Forever HPA
