

Untutored Youth
The Hives

This song kicks ass!!! Its piss-easy!!! I dunno why its not already here, but there you go.

```
e-----  
B-----  
G--10-10-10-10-3--3--3--3--6--6--6--6--5--5--5--5---  
D--10-10-10-10-3--3--3--3--6--6--6--6--5--5--5--5---  
A--8--8--8--8--1--1--1--1--4--4--4--4--3--3--3--3---  
E-----
```

Thats pretty much it. Keep the chords short, it might be palmming or whatever but hey would you like lemon or lime with that piece of advice mister? email or whatever; *
