

I Wanna Shout
The Hollies

D **Em**
Do you find it hard to tell me
G **D**
To tell that you really love me
D **Em**
cos I find it hard to tell you
G **D**
To tell you that I really love you

D **Em**
And I know what s in your heart
G **D**
In your mind, in your body, and your soul
D **Em**
But it s easy when we whisper
G **D**
Not letting people know.

D **Em**
We wanna shout it out loud
G **D**
But we can t let people know
D **Em**
We wanna shout it out loud
G **D**
But our love is not for show

D **Em**
I ve got something you ve got nothing
G **D**
A child, a home of my own
D **Em**
It s so hard for me to break it
G **D**
I can t break it, I can t make it on my own
