## I Wanna Shout The Hollies

Do you find it hard to tell me
G D
To tell that you really love me
D Em
Cos I find it hard to tell you
G D
To tell you that I really love you

D Em
And I know what s in your heart
G D
In your mind, in your body, and your soul
D Em
But it s easy when we whisper
G D
Not letting people know.

D Em
We wanna shout it out loud
G D
But we can t let people know
D Em
We wanna shout it out loud
G D
But our love is not for show

D Em
I ve got something you ve got nothing
G D
A child, a home of my own
D Em
It s so hard for me to break it
G D
I can t break it, I can t make it on my own
