

Long dark road  
The Hollies

{note: acoustic guitar is capoed at 2nd fret and played in D

Intro:

E            A            {2X}  
/ / / / / / / /

Verse 1 (acoustic guitar alone):

E            B  
It s over, well over  
D            E  
In my mind and in my heart  
E            B  
It s over, well over  
D            A            E    D    A  
But then again, it didn t have a good start  
  
{1: E    D A                                  2,3: E    A B                                  }  
    / / / / / / / /                                  / / / / / / / /

Verse 2 (organ and harmonica enter):

You d tell me, try to sell me  
It could have been all I asked  
It s over, well over  
Yes, there it flows away    a distant past

Chorus (full band enters):

E    A    B  
Now it s a long, dark road  
E    A    B  
Yes, it s a long, dark road  
E    E7/D A6/C#  
And you know I loved you  
E    E7/D A6/C#  
Yes, you know I loved you

{harmonica solo over Verse 2 chords}

{repeat **Chorus**}

Verse 3:

It s over, well over  
And we can t    revive what s passed

It s gone now, moved on now,  
But then again, it didn t have a chance to last  
(No, no, no, a chance to last)

{repeat **Chorus**}

Coda (repeat 5X; fade):

**E**      **A**      **B**  
Now it s a long, dark road  
          **E**      **A**      **B**  
Yes, it s a long, dark road
