

When I'm Yours
The Hollies

A

Turning me on and with your eyes

Playing along and with your eyes

Coming on strong and with your eyes

E

You burn me

A

Searching to please and with your smile

Cursing with ease and with your smile

Kindle the flame and with your smile

E

You burn me

F#m

I'd rather you told me that you couldn't care less

Than put me through numbers that feel like a test

A

I want you

A

But I gotta know that I'm wanted

E

And I don't get taken for granted

I'll be yours to command and obey I won't demand,

A

But I gotta know that I'm wanted

E

And I don't get taken for granted
