

Bridge And Tunnel The Honorary Title

first off id like to say this is my very first tab so frogive its
song is a great song but for 3 days now iv found only people looking for this
song and nobody really having
then the picking part, so i figured here you go. (please give me good ratings)

	low	high
	E	E
E	022100	
A	002220	
F#m	244222	
C	335553	
B	224442	
Em	022000	
Asus	002200	
Asus4	002230	
crasy part?	322000	(you bend the 3rd fret, low E string for the bridge)

::standard tuning::

this part is played throughout the song. your gonna have to listen to it for
timing.

```
| -4---4---4-2-0--4---4--9-7-4-----|
| ---5---5-----5---5-----|
| --6---6-----6---6-----|

```

E
If, if you want,
A
If you want to be the one that he s thinking of,
E **A**
You, you just need, you just need to understand
E
Oh, just turn around,
A
Just turn around woah oh oh oh

E (palm mute)
Because you are the only thing,
A (palm mute)
The only thing that he has left,
F#m
The only thing at all,

A **Asus or Asus4 some if you want**
The only thing at all.

E
In the later hours,
 A
When the packed bars start spitting cowards,
 E
Picking scars and cell phones clenched along,
 A
Along the sidewalk,
 E
Well they usually stay out of our way,
 A
The bridge and tunnel just seems to escape
 E A
Near our home, near our home.

INTRO THING AGAIN

E
If, if you want,
 A
If you want to be the one that he s thinking of,
 E A
You, you just need, you just need to understand,
