INTRO

E - B

E - B

E **B**

I m lacking any discipline

E

Pulling strings

B

Typing up your skin of porcelain

E

Stopped listening

B

No longer need the sunlight

E **B**

That night we had will suffice

C#m

F#

Infatuation is the perfect camouflage

C#m

F#

A warm and temporary place to go

E - B

E - B

E **B**

I m lacking any confidence

E

Second-guessing

B

Separate for perspective

E

Is there nothing left?

B

Now I ll see you for weeks and weeks

E **B**

Judge hastily, no patience

C#m

F#

I ve seen you under every, every sort of light

C#m

F#

From my ideal perfection to the darker side

B E C#m

You always were

B E C#m B

You always were so good to me

B E

I need a stimulant

B E

Something to help reinvent

B E

I need a stimulant

B E

Something to help reinvent

C#m F# E

Well, I have only one request

B

Wait until I m gone

E

Wait until I m gone

B

Wait until I m gone

E

Wait until I m gone

B B

Is there nothing left? Is there nothing left?

E

Is there nothing at all

B B

Is there nothing left? Is there nothing left?

E

Nothing at all

B E

I need a stimulant

B E

Something to help reinvent

B E

I need, I need, I need

B E

I need, I need, I need

C#m F# E

Well I have only one request

B E C#m

You always were

B E C#m

You always were

B

So good to me

There you go. Enjoy.
