

# Catch Of The Day

## The Hooters

Capo II

Am G  
Well we walk to the fish  
F C  
And we talk to the fish  
F G Am  
Yes we do, yes we do, yes we do  
C G  
Got a tale to relate  
F C  
With our poles and our bait  
F G Am  
Yes we do, yes we do, yes we do  
C G  
From the time that we rise  
F C  
Till the moon hits our eyes  
F G Am  
We will sit by the dock of the bay  
C G  
With our hooks and our lines  
F C  
Never know what we ll find  
F G Am  
As we wait for the catch of the day  
C G  
Now it s late in the night  
F C  
Still we wait for a bite  
F G Am  
Yes we do, yes we do, yes we do  
C G  
We got lots we could say  
F C  
Bout the ones that got away  
F G Am  
Yes we do, yes we do, yes we do  
C G  
From the time that we rise  
F C  
Till the moon hits our eyes  
F G Am  
We will sit by the dock of the bay

**C**                  **G**  
With our hooks and our lines  
          **F**                  **C**  
Never know what we ll find  
          **F**                  **G**  
As we wait and we wait  
          **F**                  **G**  
And we wait and we wait  
          **F**                  **G**          **Am**  
And we wait for the catch of the day
