The Horrible Crowes - Go Tell Everybody
Tuning: Full Step Down (DGCFAD)

The chords are all relative to Standard Tuning

Intro: **Bm G Bm G Bm G A**

Verse 1:

Bm
I ve been known to wear a fine black suit and a murder of a tie
G
I ve got miles on my shoes that your brothers can t buy
Bm
I ve got more than your man, more than even what he wants
G
I carry each and every ghost of my lovers at once

Pre-Chorus:

Bm **G**
And they say, sugar baby, we ve got everything you need
Bm **G**
Sugar baby, we ve got something to see
Bm **G**
Sugar baby, we ve got everything you need
A
And even what you want

Chorus:

D **Bm**
So go tell everybody that you drove your poor lover crazy
G
Take a good look at just what the night did
A
There ain t nothing left of your dearly departed
D **Bm**
And I just fell to pieces on the night, that you said you were leaving
G
You can t come back to the heart that you left
A
So go tell everybody
Bm **G**
That your man is dead

Bm G Bm G A

Verse 2:

And there s always just these three siren spirits always following me
Bm
They just appeared one night in the passenger seat
G
They tell me all about your sins, salivate from their tongues
Bm
And they kiss from their lips, but their fingers are so cold
G

Pre-Chorus:

To the touch, sugar baby, we ve got everything you need
Bm **G**
Sugar baby, we ve got something to see
Bm **G**
Sugar baby, we ve got everything you need
A
And even what you want

Chorus:

So go tell everybody that you drove your poor lover crazy
D **Bm**
Take a good look at just what the night did
G
There ain t nothing left of your dearly departed
A
And I just fell to pieces on the night, that you said you were leaving
D **Bm**
You can t come back to the heart that you left
G
So go tell everybody
A
That your man is dead
D **A** **Bm**

Bridge: **D A Bm**

Outro:

I was a man of great sympathy
D **A**
When I loved you baby
Bm
But tonight all my sympathy is gone
D **A** **Bm**
