**B**

Watch me slide over here

**G**

Feel me breathe over there

**B**

I seen a ghost in our willow

**G**

Must ve lost his lover somewhere

**B**

I been around a few times

**G**

Never caught a fever like you

**D**

Never seen me a woman

**G**

Turn a deeper shade of blue

**D**

**A**

And you must ve met a man

**G**

**A**

Tall and handsome at that

**D**

**A**

Who must ve put a spell on you, baby

**G**

**A**

Must ve kept coming back

**D**

**A**

Cause I can smell him in your skin

**G**

**A**

I bet I taste him in your blood

**D**

**A**

Must be all the young boys, baby

**G**

**A**

Ladykiller got the two of us

**B** (this is the root note, bend it it and then play it again)

**D**

And how about this for a good one

**G**

Maybe we don t ever come down

**B**

I can leave the wound wide open  
**G**  
And maybe see if I can tough it out  
**B**  
Let it pour over my head  
**G**  
All your shame and your history  
**D**  
And see if I say a thing  
**G**  
As it rolls up inside of me

**D** **A**  
And you must ve met a man  
**G** **A**  
Tall and handsome at that  
**D** **A**  
Who must ve put a spell on you, baby  
**G** **A**  
Must ve kept coming back  
**D** **A**  
Cause I can smell him in your skin  
**G** **A**  
I bet I taste him in your blood

Ladykiller got the two of us

**B** (this is the root note, bend it it and then play it again)

**D**  
Don t you say it feels like heaven  
**F#**  
If you could sleep through the night  
**B** **A** **G**  
I used to just lay down and close my eyes  
**D**  
And it would feel like heaven  
**F#**  
If I could sleep for a while  
**B** **A** **G**  
I used to float right above the fire

**D** **A**  
And you must ve met a man  
**G** **A**  
Tall and handsome at that  
**D** **A**  
Who must ve put a spell on you, baby  
**G** **A**  
Must ve kept on coming back
