## Mirrors Image The Horrors

I know this is very very rough but I just worked it out quickly by ear.

It basically follows the bass, I just wanted to be able to play it acoustically

obviously it doesn t sound as good as it would with all the different harmonies the

Horrors use!

## Bm Em Dm C#m

Bm Em

Is it her way

Dm C#m

Is it the way she looks at you

Bm Em

Seeing her face

As you walk through

Dm C#m

The crowded avenue

Bm Em

That Sets you afire

Dm C#m

Remembering all you left behind

Bm Em

Don t fall back in line

Dm C#m

Better You let her memory die

## Bm C#m

Dm

Draw strength

C#m Bm

Walk on into the night

C#m

Better you try

Dm

To pass her by

C#m Bn

Walk on into the night

and the chords fit the same for the 2nd verse and chorus.

Any feedback would be appreciated!
