E **A** **E** **A**
I was walking down the river, I was asking myself questions
E **A** **E** **A**
But the answers I came up with didn t fit
E **A** **E** **A**
Some have breakfast in bed, some aren t properly fed
E **A** **E** **A**
The way they talk about it makes me want to spit

D **E**
And they re raising all their eyebrows at the raising of the pound
A **E**
Whilst they raze another city to the ground
D **E**
And we re opening the door and walking round on all fours
A **E**
Looking for a sens in lost and found

Anxious. Don t they know, it is wrong - It makes me anxious

Anxious. Don t they know, it is wrong - It makes me anxious

E **A** **E** **A**
I really thought I d have my tongue tied if a stood up and shout
E **A** **E** **A**
But all they did was listen without their ears
E **A** **E** **A**
And I thought I d be beheaded if I stuck my neck out
E **A** **E** **A**
But they just gave me a hanky for my tears

D

I have confidence in confidence I hope that hope pulls through

Batter all the sinners to the ground

Anxious. Don t they know, it is wrong - It makes me anxious

Anxious. Don t they know, it is wrong - It makes me anxious
