Step Outside - The Housemartins

Intro : **G C Am D G G**

G C
Well the walls too wet to sit on
Am G
And there s a curtain right over my head
C
Stomp my feet waiting for a bus
Am D G
But decided to walk instead

G C
And the American saxophone follows me
Am D
All the way from the teller
G
to the public house
C
My fingers are always in my ears
Am D G
But the reads always in the mouth

Chorus :

G C
And if you ever cross your heart and hope to die
Am G
Voices in your head saying you must cry
C Am D
Then there s more to you than meets the eye
G C

But if you go about your business with a capital B

Am **G**

It is sure to catch you up with a capital C

C **Am** **D**

And then you will be in debt with a capital T { A / B }

G

Just step outside

G **C**

Well we could stop for a conversation

Am **D** **G**

If we could think of anything to say

G **C**

But you know you've got nothing to talk about

Am **D** **G**

When nothing happened yesterday

G **C**

And if I ever committed a murder

Am **D** **G**

Well I think I'd go about this way

G **C**

Never mind a rope or a dagger and cloak

Am **D** **G**

I could spend a week on this estate

Repeat chorus

G **C**

What are you doing tomorrow

Am **D**

And the day after and the day after that

G **C**

I've some money to spend I can borrow

Am **D** **G**

I've become a man I admire
