

A Dead World At Sunrise
The Human Abstract

C#m, G#m (x 4)

A C#m A C#m
ohhhhhh...

C#m G#m
Now that we ve reached the end, and I m the only one surviving,

C#m G#m
I m just waiting for the morning light

C#m G#m
to touch my skin, warm my heart ohh, but I see a

A C#m
dead world at sunrise, a dead world at sunrise,

A C#m
and nothing can reverse the state.

C#m A E G#m C#m
Who now will pray and save my soul when hell ascends ohh,

A E
and calls my name, I m alone, so forth and so on.

C#m A E G#m C#m
Their faces left.. I m longing for death, I m in torture, torture

A E C#m
its all thats left of my memories.

G#m C#m
The cold hard truth, bitter and sweet, though I can t touch them, see them,

G#m A C#m
they are there, silent ohh, They listen, silent though they listen.

A C#m
Ohh they listen, silent though they listen, but I see a

A C#m
dead world at sunrise, a dead world at sunrise,

A C#m C#m

and nothing can reverse the state.

A **E** **G#m**
We are still one, oh yes I m left

C#m **A** **E** **G#m**
missing pieces of myself, of myself

C#m, G#m

C#m G#m
Ohhhhhh...

C#m **G#m**
Missing pieces of my self, of myself, of myself

C#m **G#m**
Missing pieces of my self, of myself, of myself

C#m (hold out)
