

Carry Me Home
The Hush Sound

I can't seem to work out the intro chords I have worked out the note and rough shapes

that's as close as it gets. But apart from that the chords fit really well.

A|--10---8--|
E|-----|
      G*   F*
```

G*
Used to dream until I stopped writing fiction

F*
All right well that's not true

G*
Maybe it ended when I ended competition

F* G C
Because I'd always lose, always lose

G
My therapist could never classify conditions

F
Alright what's wrong already

G
My pharmacist had better fill up my prescriptions

F G C
Here just take two of these and call me in the morning

(Chorus)

F C
Oh oh oh won't you carry me home

G A#
It's the last time in life that I'll ever try x2

G
The streets were flooded and in the tides were pessimists

F
So I just dove right in I felt at home

G
I felt alive, I felt that I fit in

ah G C
So I'll just keep dreaming, dreaming

(chorus 2)

Interlude

D **C** **F**
Wait for the wind to blow

C **D**
Can t carry myself can t carry me home
C **D**

On my own will

C **F**
Can t let you go just yet

C **D**
Can t bury myself can t carry us both
C **F**

On my own will
